Fax: (607) 535-2590

---

Town Clerk, Extn. 201

Administration, Extn. 202

Code Enforcement, Extn. 205

September 7, 2017

Dear Wedgewood Road Resident

As you know that Town of Dix has been working diligently the past two years to help eliminate the sewer smell that many of you had after the last time PHISH was at WGI.

Since that time in October 2015 we conducted a smoke test on most of the residents on Wedgewood Road. As well we hired Fagan Engineering who completely scoped and corrected the areas that were in need of repair last summer on Wedgewood and County Route 17. Total repair costs for the Town was \$161,550, for which we have applied for a grant to help cover \$125,000 of those costs which is currently waiting for NYS to release.

As well as the fixes that the Town made, WGI installed an aerator at the track last November.

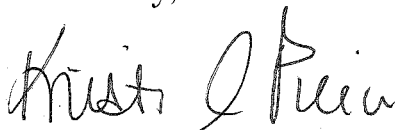

In April of this year the Town contacted Fagan Engineering and had them once again scope and test the lines that had been repaired to make sure before any event had taken place that everything was clear.

Unfortunately even after these fixes there have been a handful of complaints reported to the Town after NASCAR. So the Town of Dix in conjunction with the Village of Watkins Glen will be conducting a smoke test, TUESDAY, SEPTEMBER 12<sup>th</sup> on all residents on Wedgewood starting at 9am.

If possible we ask that someone be home during this time.

If you have any questions please call the office at 535-7973 ext. 202.

Sincerely,

Kristi A. Pierce  
Administrator
